Dear Mr. Gray:

Thank you for your letter of May 11, 1983, concerning the Federal Capital Improvements Program funding proposal for the Central Intelligence Agency headquarters consolidation. We have advised the full Commission and CIA of your interest in this project and your position that MCA review of the off-site road improvements is essential.

The CIA staff has reiterated to our staff in recent discussions that it remains fully committed to coordinating with the MCA on plans for the off-site road improvements, as well as the site and landscape plans for the consolidation project.

We appreciate your comments on this matter. If you have concerns regarding the coordination of the project plans during the coming months, please contact Robert Gresham of our staff, on 724-0191.

Sincerely,

Reginald W. Griffith  
Executive Director
